PROFILE

Frontend Developer with 1 year of experience building web and Android mobile applications using React.js, React Native, and Vue. I've worked on frontend features from scratch, integrated RESTful APIs, and handled debugging and testing, while taking ownership of frontend delivery by planning tasks, aligning with backend teams, and ensuring features were delivered on time.

WORK EXPERIENCE

M Focus Technology Sdn. Bhd.

2025 - Present

Frontend Developer

- Develop web and Android mobile applications using React, React Native, and Vue.
- Built frontend features from scratch and integrated RESTful APIs.
